Collie Rescue Story - Stella

Tri-State Collie Rescue got Stella from a hoarding situation in Ohio. This senior dog was in need of a good bath, a grooming and some TLC. According to her foster parents she loves to be with people and wants to do the right thing.

Stella found herself in a bad situation. Thanks to Tri-State for being there.

Collie Rescue Story - Chester

Chester is a young fellow found as a stray. He had an injured leg which looked like it had been caught in a trap or snare. No one claimed this boy so Minnesota Wisconsin Collie Rescue Stepped in. It has been a long road of surgery and medication to help Chester back to a healthy life. The Collie Rescue Foundation was contacted and we were pleased to help MWCR with Chester's expenses. Now sporting a stylish boot, Chester has a chance to find his forever home.

Collie Rescue Story - Milo

Milo's life was also saved by MWCR. Another rescue was called because some men were going to take a collie into the woods to shoot it. Milo was taken to the vet and then transported to MWCR. As you can see Milo was in bad shape, loaded with ticks, a huge abscess, along with dental problems all requiring attention. MWCR along with their donors and the Collie Rescue Foundation were able to provide the resources for this to happen. Milo is on his way to a better life thanks to dedicated rescue folks from MWCR.
